## About This Game

Do you have what it takes to survive the Realms of Ancient War?

Take control of a fearsome Warrior, a powerful Wizard or a Rogue, and plunge into a grand quest full of action!

### Key Features:

- The explosive Hack'n'Slash (action/role-playing game) R.A.W takes you, alone or with a friend in co-operative mode, on a fantasy world ruined by an ancient and violent war.
- Level your heroes up, collect more powerful weapons and armor, unlock new and more devastating spells, and exterminate by the dozens at once the hordes of enemies that are standing in your way.
- Thanks to your talent of incarnation, take control of your most powerful opponents to unleash their power and seed destruction among your enemy's legions!
